Join us to help Angie in her fight against Triple Negative Breast Cancer!

**8347 Kennedy Avenue  
Highland, IN 46322**

We're raising funds for Angie who has been re-diagnosed with the most aggressive form of cancer—Triple Negative Breast Cancer (TNBC)—in her breast, abdomen, spleen, lungs and lymph nodes. Three years after Angie's first diagnosis, the disease has come back with a vengeance. The funds raised from this event will help pay her mortgage and living expenses while she fights this deadly disease. Angie is only 48-years-old and in a mere six weeks, she went from a vibrant self-sustaining woman, with two daughters, a good job, a home and a life that was full, to facing a battle that has momentarily robbed her of all of that. Angie is in a weakened state, giving all her energy to healing and is unable to earn any income. She is surrounded by family and an amazing support team, but we need your help to eliminate the worry about losing her home, leaving her and her two daughters homeless. We are kindly asking you to make a contribution; your kindness will ease the excruciating financial burden of losing her home. A gift in any amount will make a difference. Thank you!
