TEAM

Why Give Where we Live

Mission: In November 2020, The Jana Caudill Team launched a strategic philanthropy program called “Give Where We Live” which allows our team to give back MORE to our local community. Focusing on 5 charity areas.

Vision: To make a difference in the communities we serve, whether big or small.

What is Give Where We Live

This program is our philanthropic arm which allows our team to give back MORE to our local community.

Each year our team agrees to contribute a % of our “net” commission to a pre chosen charity for every home bought or sold.

We were able to select the charities based on 5 focus areas:
Animals, Education, Emergency Shelter, Families and Health.

Our Commitment

As a team we donate a 5% of every commission earned.
2.5% office and 2.5% team member.

Example:

Sales team member earning
 $\$100,000 - 2.5\% = \$97,500$

\$2500 to make a difference in our community.

+

Office matches 2.5% for an additional \$2500

A total of \$5000 to make a difference in our community.

**% is on net commission*

This Year's Charity Designees

All Breed Rescue Angels: (ABRA)

ABRA is a foster style rescue. Our pets live with us, so we know more about them than the average shelter. We have a variety of homes that include dogs, cats, kids, etc.

Crown Point Neighbors Helping Neighbors: (CPNHN)

Contributing to positive change in our local community through acts of generosity and thoughtfulness, both large and small. CPNHN is a community outreach initiative that was created in a time of adversity with the thought that small acts of kindness can have a huge impact, creating change and helping build momentum toward reaching larger goals.

Indiana Cancer Society: The American Cancer Society supports life-saving programs and initiatives across the country for people with cancer and their families. We rely upon a broad variety of suppliers to support our staff and volunteers, and ensure our programs like Relay For Life[®], Making Strides Against Breast Cancer[®], and Determination[®] are successful.

This Year's Charity Designees -continued-

Lurie Children's Hospital: Ann & Robert H. Lurie Children's Hospital of Chicago provides superior pediatric care in a setting that offers the latest benefits and innovations in medical technology, research and family-friendly design.

As the largest pediatric provider in the region with a 136-year legacy of excellence, kids and their families are at the center of all we do.

St. Jude House:

St. Jude House is a safe emergency shelter and provider of services for victims of domestic violence and their dependent children. We provide housing, advocacy and compassionate assistance. Through educational programs we work to teach others to recognize the cycle of domestic violence, to empower them to break that cycle and to offer support and follow-up. In the spirit of the Franciscan Sisters of Chicago, we at St. Jude House are committed to offering love and hope in a healing and caring environment to each person that seeks shelter and/or services regardless of creed, gender, race or national origin.
